

**Licensed substance abuse treatment agencies have two options for reporting their data to IDPH:**

**Iowa Service Management and Reporting Tool (I-SMART):**

Licensed Substance Abuse Treatment Agencies that don't currently have an Electronic Health Record or Electronic Medical Record (EHR/EMR), or whose EHR/EMR lacks the ability to send an electronic file to the Central Data Repository (CDR), may choose to submit data through the I-SMART system. For information on I-SMART, contact the I-SMART Helpdesk or call toll free (866) 339-7913 or local (515) 725-2950.

**Central Data Repository (CDR):**

Licensed Substance abuse treatment agencies that currently use or are planning to procure an EHR/EMR (Electronic Health Record or Electronic Medical Record), may submit data directly to the IDPH Central Data Repository (CDR) if the EHR/EMR can meet the data reporting requirements. For information on CDR reporting, contact the Data Manager at (515) 242-6514.
